Profile

Seeking a beginner role to enhance and explore my technical knowledge gained at Graphic Era Hill University in the last two years. I am pursuing a BCA degree from my college and got a significant position in the coding competition held at the campus as well as in Quanta science fair at CMS school.

Education

10th

Mallikarjun School - Pithoragarh
April 2017 - March 2018

12th

Mallikarjun School - Pithoragarh
April 2019 - March 2020
During my school years I had a lot of opportunities to explore a lot of exciting areas such as I participated in an international level science competition known as Quanta for robot racing, various schools' science fairs and also some of the cultural activities.

BCA

Graphic Era Hill University - Bhimtal
September 2020 - August 2023
I am currently pursuing BCA degree to learn more about computers which I have loved since my childhood. And want to expand my knowledge and work for the betterment of this field.
